Rotech offers a very good selection of different colour ribbons and a service to custom produce any colour as required. This colour range is by far one of the most comprehensive colour ranges available.

All listed grades are available in 110mm x 10m samples or printed label samples.

PLEASE NOTE

All of the colours are made to order and are therefore, non-returnable.

Please test the colours where possible to make sure that they are suitable for your application.
