

## COMPANY OVERVIEW

THE CODE MARK OF **EXCELLENCE**

# ourstory

Founded in 1997, Rotech has grown to become one of the most respected coding and marking specialists in the UK. Our privately owned business has built a reputation of providing a valuable, end-to-end service - from consultancy and advice, through to product installation and ongoing support.

Our success is due to our expertise and our ability to listen and solve problems. No matter how small or how significant, we will always deliver the right solution in terms of efficiency, sustainability and quality engineering.

Our extensive knowledge of coding and marking technology, combined with our friendly, reliable, 'can-do' attitude, has led us to being trusted and respected by organisations right across the packaging industry, both in the UK and internationally.

*"I would have no hesitation in recommending Rotech as a competent and professional company."*

## whatwedo

As experts in our field, we have a solution for pretty much any kind of coding and marking application. Some requests are simple, whilst others are more complex, however we will always find the right solution for your needs whether it's from our range of products or a custom-built alternative.

All of our systems are designed and manufactured in the UK. We approach each project with equal standards of care and commitment, to guarantee total customer satisfaction. After installation we provide a total support service offering a full range of consumables, along with ongoing advice and consultancy as required.

### Our solutions include:

- Automatic offline feeding systems
- Industrial printers and labellers
- Consumables for OEM printers and labellers

# the benefits

Listening carefully to our customers needs has always resulted in long-lasting, valuable relationships. Our customers tell us that the things that they value most is our knowledge, flexibility, quick turnaround times and ultimately the quality and reliability of our solutions.

Rotech is unique because we offer a **total service**:

- Consultancy and advice
- Innovative solutions
- Design services
- Installation and training
- Consumables
- Customer support

# our customers

Over the last 20 years we have developed long-term relationships with customers from a wide range of industry sectors. We have expert knowledge in a number of specialist packaging areas, along with a portfolio of products designed for new and niche markets.

Regardless of size, material, positioning, ink or integration, Rotech will be able to provide you with the perfect coding and marking solution, along with all of the additional support that you need to ensure that your operations run smoothly and efficiently at all times.
