

**RF Lite**

Providing a simple, low-cost solution for customers automating their off-line coding

**RF Auto**

The heavy-duty all-rounder, delivering results at high speeds on most packaging types

**RF 1**

Our most versatile model, capable of handling a wide range of packaging and can be equipped with a range of additional equipment

**RF Pouch**

The specialist for notoriously difficult-to-feed flexible or asymmetric products

**RF Case**

Designed for handling outer case packaging in their flat form

**RF Compliance**

Implied by its name, this is a specialised system for heavily regulated industries such as pharma and medical
