

Rotechcare⁺

MAINTENANCE PLANS

Comprehensive cover for your
Rotech solutions

Reduce unplanned repair costs

Maximise equipment uptime

Extend equipment lifespan

Thank you,

for choosing Rotech

We hope that you are pleased with your coding and marking solution from Rotech. We are confident that your equipment will prove to be a worthwhile, cost-effective investment for your business.

Maximise your uptime with a Rotech Care+ preventative maintenance plan

As with all machinery and equipment, after extended periods of use, general wear-and-tear of parts is to be expected. At Rotech, we are committed to providing solutions that are an integral part of your production process and continue to be efficient many years after installation.

With our Rotech Care+ plans we deliver proactive aftercare support, which includes preventative service visits, to give you peace of mind by keeping your equipment running reliably at all times.

Reduce costs

Save time

Maximise efficiency

Comprehensive support

“Rotech’s exceptional customer service and after-sales support have made us feel valued and confident in our investment – we couldn’t be happier with the results.”

ORANGE COUNTY CBD

Tiered plans

To suit your particular needs

Our tiered plans – Essential, Premium and Ultimate - have been carefully created to ensure that your business can benefit from the additional support from Rotech no matter your size or industry.

The coverage you will require depends on varying factors such as level of throughput, operating hours, downtime implications and in-house engineering resource.

Unsure what plan you need?

Contact us today! Our team of experts have the knowledge to advise which plan would work best with your requirements.

T&Cs of Rotech Care+

Initial support response times are only guaranteed within standard working hours.

Emergency on-site response excludes non-working days such as weekends and bank holidays.

Holiday telephone and email response hours exclude Christmas Eve (24th December), Christmas Day (25th December), New Year's Eve (31st December) & New Year's Day (1st January).

Courtesy system provided during maintenance visit may not be exactly as customer's spec.

Additional spares outside of the scope of a preventative maintenance visit are supplied ad-hoc with discount as shown in pricing table.

The extended system warranty is in addition to the standard 12-month warranty on all standard systems. Includes standard Rotech parts only - special modifications and custom-made parts are not covered. Standard warranty policy applies.

Return your faulty cartridges and we will send you brand new replacements, free of charge.

For systems that have been continuously covered by Care+ for a minimum five years, a new system may be purchased at the discounted rate as shown in pricing table.

Care+ plans are priced based on the level of coverage required and number of visits as agreed with Rotech.

All plans are subject to a surcharge if the customer site is greater than four hours from Rotech's Welwyn Garden City base, to cover additional engineers time and transport costs.

All plans are subject to a surcharge if Rotech's engineers are not permitted access to systems within 1 hour of arriving on-site.
